

IN THE UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF NORTH CAROLINA
ASHEVILLE DIVISION
FILE NO.: 1:18-CV-96

COMES NOW the undersigned affiant and does say and depose as follows:

1. My name is Kelly Rhodarmer Boone, and I am over the age of 18 and have no mental defects that prevent me from making this affidavit.
2. I have a bachelor's degree from Western Carolina University(WCU) in Math Education (6-12 certification in math and k-12 certification in Inclusive Teaching/Exceptional Children /Learning disabilities) as well as a master's degree in Behavior and Emotional Disorders. I have taught 29.5 years in the N.C. Public School System in the above areas during which time I worked five years at an Alternative School for students with severe behavior and emotional problems and/or family issues. I did an internship in 1998 at a Short-Term Residential Program, Eckerd Wilderness Camp formally in Hendersonville, NC. In 1998, through WCU, I served on a Community Involvement Board for 5 years to provide services and meet the special needs of community members of Western North Carolina. Since 2001, I have taught online and face to face courses in the Teaching and

Learning Education Department (Exceptional Children and Special Services) at Western Carolina University pertaining to children with disabilities and behavior and emotional problems.

3. I was hired by Attorney David A. Wijewickrama to facilitate the collection and review of documents produced in the above captioned case.
4. On August 13, 2020 Attorney Wijewickrama sent Cherokee County Public Schools (“CCPS”) a letter with a Subpoena (issued by a North Carolina state court judge) requesting any and all school records for the children named in the attached list (Exhibit A).
5. In the latter part of August CCPS produced:
 - a. attendance records for some but not all students;
 - b. record of courses and final grades for some but not all students;
 - c. Exceptional Children’s (EC) records for some but not all students. (In looking at courses and course codes, it was evident that the children were receiving special (EC) services but no EC records were provided); and
 - d. Discipline records for some but not all students.
6. In reviewing the documents produced by CCPS in August of 2020, I immediately realized we were missing an abundance of information we requested as indicated above.
7. CCPS failed to produce any records for certain children that were requested, including the minor child H.H.
8. On August 28, 2020, I called Anne Boring, Director for Exceptional Children (EC) for Cherokee County Schools to verbally request assistance in obtaining the records pertaining to H.H.

9. In this phone conversation we also discussed how COVID restrictions may have affected the efficiency in providing records both initially and possibly moving forward.
10. I followed up the phone call with an email sent the same day, requesting the records and attached the original Subpoena. (A copy of the email is attached to this affidavit as Exhibit B).
11. On September 8, 2020 I sent another email to Anne Boring to express our appreciation for her assistance and to see if she had any questions. (A copy of this email is attached to this affidavit as Exhibit C)
12. On this same day, 9/8/2021, Kim Gibson, Associate Superintendent Cherokee County Schools, responded in an email that she had sent the thumb drives that morning.
13. I received material from CCPS on September 16, 2020.
14. I reviewed the files produced, approximately 10 flash drives of data, over the course of approximately 5 to 7 days.
15. My review revealed that this CCPS production still failed to include specific files that should have been produced.
16. Among the missing item as to various students were: Attendance records, discipline records, Psychological Evaluations for the EC records, Revaluations required every three years, Individualized Education Plans with details about the student's learning needs and quarterly/final grade reports and standardized test results from each year up to the current year.
17. I met with Attorney Wijewickrama to discuss the missing files, and on September 21, 2020 I sent a follow-up email to Kim Gibson, Anne Boring and Jeana Conley, all with CCPS, to

request the missing information for the missing and incomplete files. (A copy of this email is attached as Exhibit D)

18. I continued my review of the files that have been produced to this point, and my continuing review revealed that more files were missing from CCPS's productions. (I noted that in some cases CCPS had sent files that were not requested because the produced files were for children that had similar names.)
19. I received no response from CCPS between September 21 and September 25, therefore on September 25, 2020 I sent another email requesting missing information for children. (A copy of this email is attached as Exhibit E)
20. On Monday, September 28, 2020 I determined that H.H.'s records were still missing, and I sent another email requesting she be added to the list of missing files to Kim Gibson (A copy of this email is attached as Exhibit F). I also edited that email (with the request for H.H.'s records) adding another request for Brian Hogan's transcript in writing and sent the email to Anne Boring and Jeana Conely. (A copy of this email is attached as Exhibit G)
21. On this same day (September 28) Kim Gibson responded by email, (attached) by stating: "Kristie is getting DOB's for all those kids."
22. In December of 2020. Attorney Wijewickrama received another thumb drive from CCPS.
23. I reviewed the contents of this thumb drive the first week of January and determined that it contained only the EC records for H.H. from the years 2013 and 2019.
24. On January 19, 2021, (after CCPS had returned from winter break, though they were working a hybrid schedule which is part time remotely due to the ongoing COVID-19 pandemic) I met with Attorneys Wijewickrama and Ron Moore. Based on this meeting,

on this same date, I sent an email requesting very specific documents for Hannah Hogan that were still missing. (A copy of this email is attached as Exhibit H).

25. On January 21, 20201 I received a large number of previously unproduced school records pertaining to H.H. from Anne Boring in two separate emails, which I forwarded to Attorney Wijewickrama on January 22, 2021.

Further affiant sayeth not.

To: Anne Boring <anne.boring@cherokee.k12.nc.us>

Fri, Aug 28, 2020 at 5:51 PM

Ms. Boring,
Per our phone conversation this afternoon, here is the subpoena. We are in need of any and all records you have on these children from preschool to present. We tried to list some of the specifics but I want to be sure nothing is overlooked hence the need for any and all information. Even if they were referred but did not qualify and you have that information that would be helpful in our purpose.

I realize you may not have access to some records if they are not identified and if that is the case if you know who could provide those records please forward their information to me.

A few more records that have come to mind and are not listed specifically but would be beneficial include:

-discipline records including but not limited to any interventions or parent conferences, detention, offenses, ISS and/or OSS.
I don't know if your county uses Educator Handbook or if the discipline records accessible by administrators would be the most thorough.

- Standardized test results k-present
- Attendance records including tardies Pre-K-present
- All evaluations including Reports from independent evaluators pre-k-present
- Service referrals - speech, hearing, eyesight, Counseling, teacher and parent referrals, etc. Pre-k to present
- Conduct/behavior classes or programs the student participated in Pre-K to present
- Counseling records Pre-K to present
- Request for transfer records so we know what other systems to request information from

- Courses and Grades K- present. We got a few transcripts but all were not current.

- Master list of course codes specific to your LEA.

- Copies of schedules for middle and high school or an indication as to what special topics or Non-Reporting courses are for each student as shown on the transcripts.

We really need all records you have.

Please do not hesitate to contact me with any questions or concerns.

Thank you for your time,
Kelly Boone

Hi Kelly,

I actually sent the thumb drives by certified mail this morning. The mailed envelope includes a thumb drive from each school with student documents and one thumb drive only has EC information. The thumb drives are labeled.

Please let me know if you need additional information.

I just wanted to thank you for the thumb drives and all the information they contain. There are a few students we still need some data for specific time frames. If I send a detailed list and it is in your system, would it be possible to get those? There aren't many. Also I think we may have received a couple of the wrong records, maybe a siblings. For example : we need Luke Timpson and we received Lane Timpson. Same parents but the ages do not match.

I hate to even ask but it is imperative we have this information if it is accessible.

Thank you again,
Kelly Boone

Hi,

I have a few more records we need to try to locate.

Michael Carter - We received the wrong record. It was for Nicholas Ghannon Carter.

Mya Crapse - If you have a historical transcript for her that would be sufficient. We just need her Elementary information.

Anthony Downey -Any records

Alisia Hernandez - EC records

Emily Maney - We got the wrong file again - we received Anslee Kamile Maney

Desean Patterson - Historical Transcripts, evaluations, counseling records

Tyler Patterson -Historical Transcripts, evaluations, counseling records

Alana Roberts - anything - we received nothing - preschool or K-1

Breanna Sherman - Anything before High School? all we received were 2 years of high school

Joy Shipers - anything

Luke Timpson - Again we received the wrong records-we received Lane Timpson

Patrick Allen - anything

I am trying to check and see if they were in other systems but records indicate they were in Cherokee County some of these times so maybe even transfer records.

Thank you -

Kelly

Good Afternoon,

Once again I would like to thank you for all the time and efforts you have put into sending us the records we have requested. The last correspondence we received was an envelope with the list of students sent in the email requesting their missing records and their birthdates written beside each one and one flash drive with Hannah Hogan's EC records(including a consent form and psych evaluation from 2013 and the Annual review/Reevaluation forms -current eligibility and IEP from 2019). We are in dire need of any and all of her school records including but not limited to her full EC record from 2013 to present including: Reevaluation forms from 2016(performed every 3 years), any other psych evaluations -2016 and 2019, grades, discipline records, counseling records, - all of her school records 2011 to present. If she transferred out of your system and back into your system please include those transfer records or contact information for us to obtain such information.

Hannah Jean Hogan DOB 1/16/2006 records indicate she attended Peachtree Elem School and Andrews Middle School.

We are also still in need of the other student's records on the prior email. I will send that list with names and birthdates in a separate email as our focus today is on Ms. Hogan. We need the information for Ms Hogan ASAP.

Please do not hesitate to call if you have any questions or need to discuss anything further.

Thank you,
